

## Share your views on Palliative and End of life Care

Your voice matters – help shape the future of local care and support

Have your say to help improve access to palliative and end of life care across Luton.

In partnership with BLMK Integrated Care board, we're inviting members of the **South Asian community (including Sikh, Hindu, Muslim)** to share your knowledge and experiences of care.

Your feedback will directly shape how local service support individuals, families and carers at this important time.

### Join our Focus Group
